

Important Note Regarding Our Method of Operation for Auction sales, and the COVID-19 Public Policies

First and foremost, our operations to provide our services will continue, but with public safety for the common good as a top priority. We will comply with all recognized common-sense measures to ensure that our actions do not endanger the well-being of our clients and customers.

So, what has changed or what will change?

Policies to slow the spread of COVID-19 will certainly evolve for the foreseeable future. We will comply with existing policies, as well as new policies as those take effect. Currently, we are suspending traditional live and live/simulcast auctions “on site”. We are doing business as Iowa Auction Group, and we are charged with managing sales of all types of properties in a manner that is fair and acceptable to both sellers and buyers. We have the following services available:

- Live auctions with “remote site” biddings (virtual auctions): Bidder’s will be able to bid from their homes or any location of their choosing for our on-line presentation of each item offered for sale.
- On-line only timed auctions: You may already be familiar with this existing service.
- Iowa Auction Group Buy/Sell: Iowa Auction Group has been offering this service on-line which involves private negotiations resulting in very successful sales of personal property. This service continues to grow!

Staying consistent with our existing policies and methodology, specific members of our Iowa Auction Group, offer the same services, e.g. real estate, appraisals, you have come to expect from one of the most successful, caring, and knowledgeable auction firms in the United States. We continue to operate locally and within our historic market areas to best serve you, our valued clients and customers, at the highest level. We will also continue to operate as an affiliate of Iowa Auction Group to literally bring the world to you as you buy and sell.

It is the highest honor and privilege to work with you and for you. Please feel free to contact us at any time at the numbers listed below.

We extend a sincere "Thank you!" to all who are helping others get through these challenging times.
